HELPING OURSELVES BY HELPING OTHERS

AICA MileStone Italy special issue 2023

## Roma and Firenze Edition

The AICA Italy Study Tour was a great success. 44 members of AICA joined us on a memorable, or we might even say, a-once-in-a-lifetime trip to Italy.

Sculptures, painting, ancient buildings, quarries, cemeteries, churches, galleries, gardens and museums filled nearly everyday—plus great food, good company and deeper friendships!

As we shared photos, meals and beautiful works of art, we each gained a great appreciation for Italy and gleaned many ideas for making our own art even better.

Thank you to all who participated with cheerful and can do attitudes! There were crowds, and heat, and lots of walking but it was wonderful to experience all this with our members and dear friends.

The following pages represent just a small portion of what we saw while touring Italy. For those unable to go, enjoy! For those who went, refresh your memories, enjoy, and dream of going again!
